

Request for Extension

San Diego, California, February 15th, 2017.

Mr. Armando Valentín Pérez
Presidente de la Comisión Normalizadora
Asociación del Fútbol Argentino (AFA)
Buenos Aires, Argentina

Dear Mr. Perez:

Whereas on February 10th AFA announced new conditions for AFA domestic TV broadcast solicitors, and given that such conditions entail classified documents and contracts essential to this matter, CONSOR hereby requests AFA to grant us 10 (ten) working days for the necessary analysis of such data that AFA will provide. We request that this extension term begin the first day such documents are provided to our South America agents.

Should CONSOR be precluded from accessing such documents, which other bidders are already aware of, it would undermine due fairness in this process.

We remain expecting a favorable resolution by AFA.

Cordially yours,
